Dear Parents,

Unfortunately, it has come to our attention that there has been a rise in safeguarding incidents on **Social Media** with children in year 6.

Many of these apps come with age restrictions, most of which begin at 13, and may be inappropriate for children in Primary School.

If you allow your child to use these can you please ensure you monitor their use - it is not the responsibility of school staff and any problems that arise will be referred back to parents to deal with.

Many thanks for your co-operation.

Yours sincerely

Mr M Phillips
