

Gardening Club Nature Treasure Hunt

This is a fun way to see what is really in your garden or local park.

First either print or write out a list of 10 things you want to spot eg ant, rock, water, butterfly, worm – here is an example [KGN-ScavengerHunt-2.pdf](#) ([wpengine.com](#)) Then get outside and find your treasure. Take photos or draw a picture of each thing you tick off the list

Mad Science Club Tie Dye Milk

This experiment teaches you about surface tension of liquids. You will need milk, washing up liquid and food colouring, plus a deep dish or bowl. All of the instructions are here [Cool Science](#)

Take a picture of your completed experiment or write out the method you used. Can you work out what is happening?

Animal lovers Club Guinea Pig Care

Guinea Pigs make wonderful pets, but it is vital they get proper care to ensure they are happy and healthy.

Draw a picture of the perfect Guinea Pig home with everything it needs. Remember to think about food, space, exercise and grooming. This link may help [How to Look After A Guinea Pig | Take Care of Guinea Pig for Beginners](#) ([guineapiggles.co.uk](#))

Personal Best Challenge with South Sefton School Sports Partnership! Step in, Step out

Mark out a circle with a hoop, skipping rope or similar
Step in and out of the circle one foot at a time
Both feet must be in the circle before you step out one foot at a time

How many times can you step in and out of the circle in 30 seconds? 1 minute?

Keep a record of your scores, challenge a family member to beat you!

You can choose to take part in as many clubs as you like. Each activity is worth 1 Children's University credit. When you have completed an activity send your evidence to me laura.ashcroft@elevate-ebp.co.uk
